We have selected service providers who will be able to support you throughout your stay. Our choice has focused on locally established businesses on the island, open year-round, and sharing our philosophy of customer care and hospitality.

Payment is made directly to the providers, as some of these services are subject to specific regulations. We do not receive any commission or referral fees. This is both an ethical choice and a matter of independence, allowing us the freedom to change providers if they no longer meet our guests' expectations.

To ensure that you can clearly communicate your needs and receive a personalized response, we believe it is preferable for you to contact them directly, mentioning that you are staying with us. Of course, we would be delighted to contact them on your behalf if you prefer.

Regarding equipment rentals, we may, within reasonable limits, collect the equipment before your arrival and make it available directly at La Maison d'Yvonne so that it is ready for use as soon as you arrive. For insurance and liability reasons, however, the equipment must be returned directly by you to the rental provider.

Pilates Classes – Studio Pilates Oléron

Bénédicte would be delighted to come to La Maison d'Yvonne and provide a private Pilates session tailored to your pace and individual needs. Beyond her technical expertise, her kindness and attentive approach make her an excellent coach for a truly enjoyable experience.

Bicycle Rental – Cycles Demion 1948

Why have we chosen not to provide or rent bicycles directly through La Maison d'Yvonne? Because we want you to have access to a wide choice of bicycles suited to your size and preferences, benefit from modern, well-maintained equipment, have the flexibility to switch bikes if desired, and receive assistance in case of any issues.

We have therefore partnered with Cycles Demion, a family-owned business (now in its third generation) that has been renting bicycles on Île d'Oléron since 1948.

You can be confident of receiving professional advice on selecting the most suitable bicycle for your needs, as well as recommendations for cycling routes around the island.

Their website also features route suggestions for all ability levels.

Opening hours: 7 days a week, 9:30 a.m. – 6:30 p.m. (closed from 12:00 p.m. to 2:00 p.m.)
